Product Description

Certain controlled tasks require very specific wiping products and dispensing systems. With this in mind, expertise and wiping technology was applied to create a premium-quality task-specific range that can help maximise efficiency and productivity while reducing wiping and solvent costs. The WETTASK* Roll Wiper Dispenser Bucket is designed for use with either pre-soaked, or dry wiper rolls that you can use with your chosen solvent, chemical or detergent. This provides a refillable, airtight wiping system helping to control costs and improve safety by reducing spills. Perfect for industrial and healthcare environments, these buckets are ideal for use in areas where hygiene and safety are of key importance. This product is sold as a case of 4 x blue dispenser buckets (4 total). Dispenser size 23.5cm (L) x 22cm (W) x 22cm (D). Compatible with KIMTECH* WETTASK Wipers (product codes 7767, 7769, 7762 and 7764) and KIMBERLY-CLARK PROFESSIONAL* Wipers (product codes 38665 and 38667).

Product Features

- 4 x blue dispenser buckets (4 total)
- Refillable, airtight wiping system
